Masonry exists to aid us in our search for light, to give us guidance and direction as to where we may find the light, not to be or substitute for the light and not to demand that we devote every waking hour to purely Masonic pursuits.

Good counsel failing men may give, for why?
 He that's aground doth know where the shoal doth lie.
 Thus, like the whetstone, many men are wont
 To sharpen others while themselves are blunt.

Aiken Masonic Lodge 156 AFM Trestle Board

November 2018

Volume: LXVIII-11

Brethren and Ladies,

The upkeep of our Lodge will take another important step forward this month with the refurbishment of the exterior windows. Brother Richard Moore will be completing the work. Please wish Richard Gods speed in his efforts.

As mentioned in last month's Trestle Board, numerous parts of the lodge are in need of repair. Again, and for the last time, I mention, funding of these repairs/upgrades would greatly deplete our yearly budgets. If you are able, and desire to contribute a tax deductible contribution, to what I am calling the Building Fund, your contributions can be made to Aiken Masonic Lodge at the address given above. Anyone who contributes will have his/her name mentioned in the following months' Trestle Board.

This month's tidbit of education is as follows: "Many writers and thinkers have tried to define Freemasonry but it really defeats definition. It is too complex, too profound in conception, to be easily expressed in words. Perhaps the simplest and best definition of all is the phrase "the brotherhood of man under the fatherhood of God." As such, masons have progressed from using stone and mortar for building to the most important of life's functions, the building of character."

If you have not been to the lodge recently, please consider attending in the near future. If there is anything I can do for you in my capacity as the current Worshipful Master and brother mason, please let me know. Hope to see you soon.

Fraternally,

Jacob A. Anthony III, Worshipful Master jacobaa@bellsouth.net
